Boston Post Gold Headed Cane

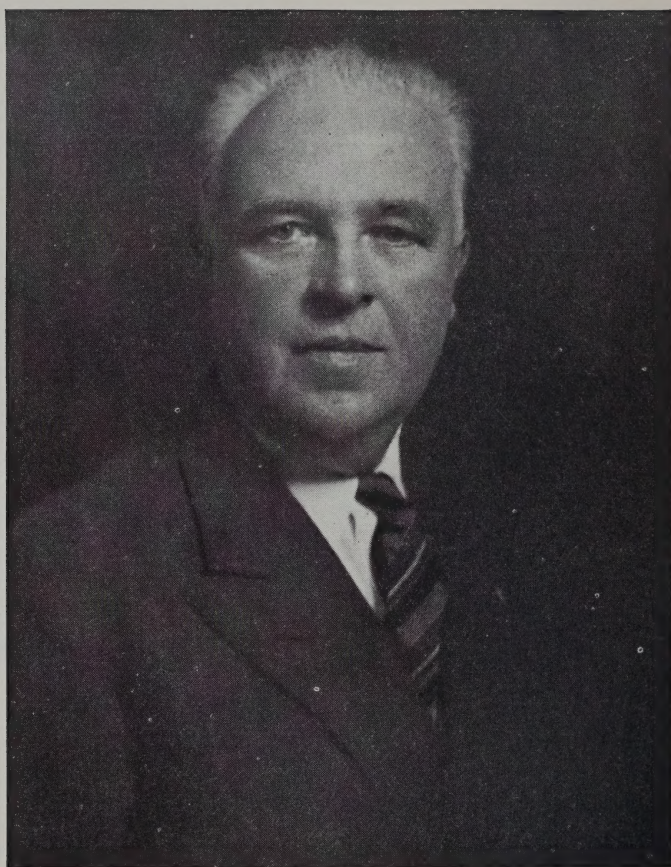

Selectmen presenting the Post cane to John Vanderpool on October 5, 1951. Reading left to right: Noyes V. Moore, John Vanderpool, W. Fred Tuttle, Earl F. Willand.

The gold headed cane was presented by the Boston Post more than forty years ago for the use of the oldest man in Wolfeboro. Since this time there have been twelve holders of the cane, as follows:

J. L. Avery	1817-1911	Age 94
Ira Banfield	1813-1915	102
J. H. Young	1822-1924	102
Geo. W. Peasley	1835-1926	81
John A. Smith	1833-1929	96
O. P. Berry	1840-1930	90
Chas. H. Tibbetts	1841-1930	89
Chas. W. Hoyt	1842-1931	89
Harvey C. Kallock	1844-1936	92
Dr. N. H. Scott	1851-1946	95
Everett S. Albee, Sr.	1853-1951	98
John Vanderpool	1858-	93

Harold Hawkins Hart

July 3, 1882 to September 14, 1951

Harold Hawkins Hart

July 3, 1882 to September 14, 1951

He was graduated from Racine College in 1902, and from the Philadelphia Textile School in 1905. While at Philadelphia Textile School he was active in the following: Captain of the Football Team, President of the Student Club, President of the Athletic Association, President of Phi Psi Fraternity and one of the five founders of Phi Psi Fraternity.

His textile background includes the following: Supt. of Bedford Woolen Mills, Va. — 1906; Supt. Meriden Woolen Co., Conn. — 1907; Supt. of Coheco Woolen Mills, N. H. — 1907-08; Supt. Racine Woolen Mills, Wis., 1908-15; Pres. Racine Woolen Mfg. Co. 1915-51; Pres. Wolfeboro Mills, 1917-30; and Executive Secretary of Phi Psi Fraternity 1945-51.

His Masonic affiliations were: Worthy Master Morning Star Lodge; Grand Master of Masons of N. H. 1943 & 44; High Priest Royal Arch Masons; Orient Council, Rochester; Palestine Commandery, Rochester; 320 Mason; Bektash Temple Shrine; National Sojourners and Grand Lodge Representative to the State of Illinois.

He was active in the following: First President of Wolfeboro Chamber of Commerce; Past President of Wolfeboro Rotary Club; Director of the New England Council; Operator of Hart Motor Co. 1925-34; Vice President of Hart Motor Co. Inc. 1934 until the time of his death; Director of National Auto Dealers Assoc. 1933-43; Member of N. E. Assoc. of Commercial Executives; Member of N. H. Good Roads Assoc.; Member of the N. H. Legislature 1925-51, with the exception of two years; Member of the N. H. Senate 1931-32; Chairman Carroll County Delegation 1927, 29, 35, 37, 43, 45, 47, 49, and 51; Wolfeboro Electric Light Dept. Commissioner 1920-49. He was a Major in the U. S. Army Reserves and a Lt. Col. in the N. H. State Guard.

At the time of his death he was Executive Secretary of the Lakes Region Association and held the following town offices: Chairman of the Wolfeboro Budget Committee; Chairman Parks & Playgrounds Commission; Chairman Planning & Zoning Commission; Moderator Wolfeboro Precinct; Trustee of the Huggins Hospital and County Chairman of the National Foundation for Infantile Paralysis.

He married May Moore November 18, 1907. They had three children, Lucius, Stella and Richard, who survive him.

The following excerpt from an Editorial that was written at the time of his death shows his devotion in serving the public:

"The man on the street corner is forever saying, 'They ought to do something about it.' This all embracing phrase may mean the condition of some road, the town tax rate, a leaky church roof, a faulty generator at the local electric light plant, the present condition of the tourist business or the poor ice on the town hockey rink. Harold Hart was one of the group always referred to by the public as "THEY" who meets night after night in seemingly endless committee meetings to consider ways and means of fixing the leaky church roof, rebuilding the bad road, reducing the town tax rate, or buying a new generator. While most men are but members of one or two groups working for the public welfare, Harold Hart was a member of practically all such groups and organizations. The road was never too long or the hour too late for him to go forth to work for the benefit of his beloved town."

This was a true exemplification of his motto: "There is no limit to the good a man can do if he does not care who gets the credit."

ANNUAL TOWN MEETING, 1952

Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Wolfeboro qualified to vote in Town affairs:

You are hereby notified to meet at Brewster Memorial Hall in said Town on the second Tuesday of March next, from ten A. M. until 8 P. M. for the casting of ballots, and at seven P. M. to act on the following articles:

ARTICLE 1. To choose a Town Clerk, two Auditors, Treasurer, Collector of Taxes, and Town Constable for the ensuing year, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, one Water and Sewer Commissioner for three years, three members of the Budget Committee for three years, and two members of the Budget Committee for one year.

ARTICLE 2. To select one or more Highway Agents or to instruct the Selectmen to appoint one Highway Agent.

ARTICLE 3. To choose all other Town Officers and Agents.

ARTICLE 4. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise.

ARTICLE 5. To see if the Town will vote to instruct the Selectmen to authorize the Tax Collector to allow a discount on real estate taxes if paid before December 1st, at a rate of discount not to exceed the rate at which the Town can borrow money on short term notes.

(Recommended by the Budget Committee)

ARTICLE 6. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes.

ARTICLE 7. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945.

ARTICLE 8. Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of beano be adopted in this Town?

(To be voted on by ballot)

ARTICLE 9. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget.

ARTICLE 10. To see if the Town will vote to have an inventory of the Town printed in the Town Report every second year beginning in 1953.

(To be voted on under Town Officers' Expenses)

ARTICLE 11. To see if the Town will approve and adopt a resolution directing our representatives to the State Legislature to seek the passage, in said Legislature, of an amendment to section 3 of chapter 202 of the Laws of 1889, as amended by chapter 191, Laws of 1891, chapter 251, Laws of 1903, chapter 190, Laws of 1905, chapter 286, Laws of 1935, chapter 285, Laws of 1939, and chapter 259, Laws of 1943, so that so much of the said section that recites, "...No such citizen shall hold office as such commissioner while holding office as selectman..." be struck out of said section in its entirety, so that the said section will read as it now stands less the above quoted portion.

ARTICLE 12. To see if the Town will vote to terminate the existing Parks and Playgrounds Commission, and to vest the existing powers and duties of said Commission in the Board of Selectmen.

ARTICLE 13. To see if the Town will vote to terminate the existing Department of Sanitation, and to vest the existing powers and duties of said Department in the Board of Selectmen.

ARTICLE 14. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 15th day of February, A. D. 1952.

EARL F. WILLAND,
NOYES V. MOORE,
W. FRED TUTTLE,

Selectmen of Wolfeboro, N. H.

A True Copy—Attest:

EARL F. WILLAND,
NOYES V. MOORE,
W. FRED TUTTLE,

Selectmen of Wolfeboro, N. H.

THE SELECTMEN'S REPORT

In making up the Warrants this year, there was considerably more work involved. Where we usually made up one property warrant and one poll tax warrant, this year, in addition, there had to be a timber tax warrant, of all timber cut, and one state head tax warrant. Much praise and credit is due the tax collector for the manner in which he collected and the amounts he collected on these four warrants.

Under New Road Construction this year, our Town Road Aid money was spent in widening, draining, and black-topping the College Road, and the balance of the money spent was placed on the road from the Pine Hill cemetery towards Beach Pond. Some money was spent in grading and improving Clow Road, off Pleasant Street; drainage on Green Street; and considerable work was done on the Cotton Mountain Road, with more work to be done here in 1952.

The Day House in Wolfeboro Falls, at the corner of Silver and Center Streets, leading to Mast Landing, was sold and removed, leaving a better entrance to the landing. Nothing has been done to the grounds where the house stood as yet, but one now has a complete view of the traffic as they enter Center Street.

Considerable work was done at Mast Landing in bulldozing, levelling, draining, and hauling in fill, making better parking facilities for people landing at the dock.

We have tried to give a complete breakdown of all monies spent in the various departments, and our sources of revenue.

Our 1950 Wolfeboro Town Report won first prize in its class of New Hampshire towns of 2500 to 10,000 population in the Annual New Hampshire Town Report Contest, this making the 9th consecutive year.

We would be very grateful for any suggestions which would improve and clarify your town report.

We wish to thank all the other departments for their cooperation during the past year.

SUMMARY INVENTORY OF VALUATION

Land and buildings (exclusive of growing wood and timber)	\$5,143,730.00

BUDGET COMMITTEE'S REPORT

To the Legal Voters of the Town of Wolfeboro —

It is the function of the Budget Committee to receive and study all the financial operations of the various local governmental departments and services, and to report on their findings to the town. In this report we are passing on to the voters for their action at Town Meeting, our recommendations based on careful consideration of all items making up the budgets of the many departments and services.

The Budget Committee was exceedingly gratified with the effort made by all department heads, and others making requests for funds, to keep costs as low as possible consistent with the good service and management that the town of Wolfeboro has learned to expect.

Your Budget Committee, accordingly, submits the following report and budget items for the Town of Wolfeboro for the year 1952 to be acted on at the Town Meeting, March 11, 1952.

General Government	\$11,850 00
Protection of Persons and Property	10,900 00
Health Department	4,650 00
Highway Maintenance	37,428 70
Highway Construction	1,550 00
Sidewalks	500 00
Street Lights	5,000 00
Libraries	1,350 00
Public Welfare	17,000 00
Patriotic Purposes	1,800 00
Public Service Enterprises	2,429 00
Interest	1,800 00
Payment on Debt	9,500 00
Recreation	2,000 00
Wharves	500 00
	<hr/>
	\$108,257 70

Payment to other Government Divisions, in addition to the above list:

County Taxes	\$25,000 00
Precinct Taxes	20,015 00
School Taxes	113,447 75
	<hr/>
	\$266,720 45

A comparison of the above items with the estimates and actual costs for 1951 will reveal that the higher tax rate for 1952 will result chiefly from the anticipated increased cost of (1) Highway maintenance; (2) a larger enrollment at Brewster Academy; (3) certain salary adjustments, to meet increased living costs and additional demands of the office; (4) and the purchase of a new school bus. However, the increase we feel will be small in comparison with the general inflationary trend.

TOWN ROADS

The Budget Committee after considering petitions, recommends appropriations not to exceed amounts indicated for the following purposes: (1) \$500.00 to improve Park Ave. at Wolfeboro Falls, subject to being accepted and laid out as a Town road; (2) \$250.00 for resurfacing part of Birch Road, made necessary by installation of the new water line; (3) \$300.00 for drainage on the Pleasant Valley road, near residence of Wilbur Robie. The committee submits without recommendation a request for the improvement of the "Stage Coach" road north of Dimons Corner at North Wolfeboro with a suggested amount of \$500. to be appropriated for the purpose.

The sum of \$2280.00 raised, but not spent in 1951, will be spent with a like amount provided by the State of New Hampshire, on the resurfacing of Center Street running from South Main Street through Wolfeboro Falls. Wolfeboro is also entitled to raise the same amount for work on State Highways in the Compact part of Town, and receive a like sum from the State for 1952. The Committee recommends that this same sum be raised. The work will be done by the State on projects approved by them after consultation with the Town officials. This means that a total of \$9120.00 will be spent on our roads this year, only \$2280.00 of the total will affect the 1952 tax rate.

SCHOOLS

The School Budget will be higher than for 1951-52 by about 6% ; due to salary increases, and the fact that a larger enrollment is expected at Brewster. The tuition rate per pupil will still remain at \$200.00.

The School Board will have to buy a new 60 passenger bus, for the East Wolfeboro route, as they received no bids from private operators. It is expected that this will eventually prove to be a desirable move both from the point of view of service and economy. The cost of the bus will be approximately \$7500.00 to be paid for at the rate of \$1500.00 per year. The Budget Committee is convinced that the appropriation of \$113,447.75 is well justified and that the educational needs of both elementary and secondary

school pupils are being exceptionally well served in Wolfeboro. The men and women who create and maintain these facilities should be congratulated on their fine work.

CIVILIAN DEFENSE

To meet the requirements for an observation post and other needs for Civilian Defense, an appropriation of \$1000.00 is recommended by the Budget Committee. The use of the Railroad Station has been approved for this purpose by the State Director. The local Committee for Civilian Defense has done a fine preliminary job, and we can be sure they will continue to work economically and efficiently.

TOWN DEBT

The recommendations of the Budget Committee do not increase the town debt during 1952. On the contrary the debt will be decreased by \$14,300.00, of which \$4,800.00 will be paid by the Water Department (not affecting the tax rate), and \$9,500.00 will be paid by an appropriation in the budget affecting the 1952 tax rate.

AWARDS

The Budget Committee again joins with the Selectmen and other interested citizens of the town in deriving satisfaction and pride from the fact that the Bureau of Governmental Research at the University of New Hampshire has awarded First Prize to Wolfeboro for the ninth consecutive year for the best town report published by New Hampshire towns of 2,500 to 10,000 population.

The Selectmen and the Budget Committee would be grateful for suggestions which would further improve and clarify the town report.

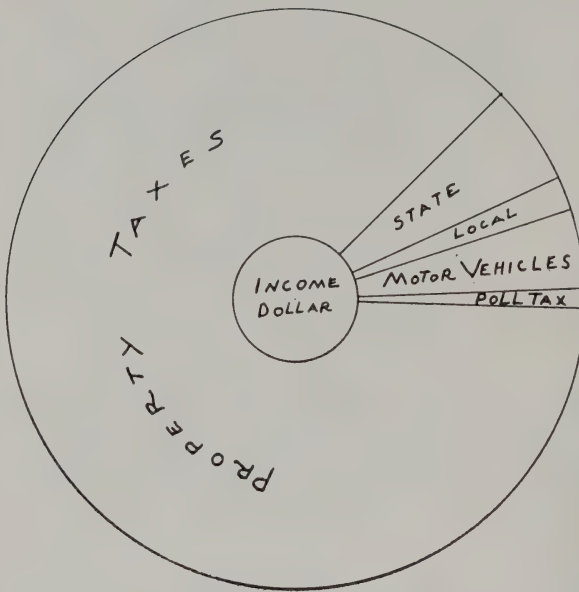

The assistance of Noyes Moore, clerk of the Board of Selectmen, and other Town officers, in providing detailed information about the operations of the many Town, School and Precinct departments, is greatly appreciated. Without their wholehearted cooperation it would be impossible for this Committee to submit an intelligent report for the consideration of the Town.

Respectfully submitted

WOLFEBORO BUDGET COMMITTEE
Howard C. Avery, Chairman

WAYNE L. PARKHURST,

Town Clerk

Public Skating Rink

Tax Collector's Report

The last four months of 1951 for your Selectmen and Tax Collector have been hectic to say the least, because of the lateness of the Property Tax Rate being set, together with the imposing upon the Town the collection of the State Head Tax on short notice.

While there were many complaints by the taxpayers because the Property Tax Bills were not out in early August, it is little realized that among towns, Wolfeboro was weeks ahead of some of our neighboring towns as much as seven weeks. The date required by the Tax Commission for setting the rate was given them early in the summer by our Selectmen, and not like many towns was very complete, so that there was no hold up after the Legislature indicated their final program in setting of the rate, the last of August. The Blotters were completed, the Warrant to the Tax Collector made up, and the Tax Bills were in the mail September 15th, which meant much midnight oil being burned.

The Selectmen then went to work on the Head Tax Warrant, which was given to the Tax Collector, and the cards were in the mail October 6th. There were 1401 cards sent, to which later were added 125 more.

With a deadline of December 1st., before interest or penalties are imposed, your Tax Collector was busy early and late every day at the office, evenings at home and Sundays.

The Sale of Property for Taxes by the Town of Wolfeboro is not held until close to the dead line of October first the year following the Levy. It may be of interest to know that the majority of the Towns in New Hampshire hold their Tax Sales in December, or shortly after the New Year, which means that Taxes must be paid by December 1st. or shortly after when they are advertised, which in essence means that the tax collecting period for Wolfeboro is prolonged from six to nine months beyond the dead line date.

From experience, I am sure that if more took advantage of making part payments their problems of meeting their taxes would be easier.

It may be of further interest to know that since 1946 the amount collected has increased per year some 73%, and the work involved has increased considerably in so doing.

GEORGE W. NARY
Tax Collector

SERVICE DEPARTMENTS

Wolfeboro Water and Sewer Department

SUPERINTENDENT'S REPORT

WATER DEPARTMENT

During the past year much new work as well as many replacements were accomplished in the Water department. At the new Armory at South Wolfeboro we installed 1900 feet of 6 inch Cast Iron Pipe.

On Birch Street at Wolfeboro Falls we replaced 900 feet of the old 4 inch Pipe with new 6 inch Cast Iron Universal Pipe.

At the New Street which was recently accepted by the Town running from South Main St. by the New House of Chief Guy Foss we installed 260 feet of 1¼ inch Galvanized Steel Pipe.

The new Summer Colony at Goose Corner was supplied with Town Water during the past Year to the extent of 2660 feet of 1¼ inch Galvanized Steel Pipe.

The Wolfeboro Camps at South Wolfeboro which have been without Town Water for the past few years have once more been supplied with an adequate supply for which we installed 3300 feet 1¼ and 2 inch galvanized Steel Pipe.

Two new Hydrants were installed at South Wolfeboro during the past year.

There were 25 new services connected to the Water system during the past year and 17 of the old services were relaid with Copper Tubing.

There were a few breaks and leaks in the Water System which were taken care of as soon as possible.

CHARLES I. LUCAS
Supt.

SEWER DEPARTMENT

During the past year there was very little new construction work done in the Sewer Department. Only one new customer was added during the year making a total of 253 connections to the new system.

Due to conditions beyond our control we had considerable trouble with the Imhof Tanks at the Treatment Plant. The Trickling Filter Bed at the treatment Plant had two treatments of H. F. H. as recommended by the State Health Department.

Approximately 300 lbs. of Lime was used during the past Year in the Imhoff Tanks.

As usual visitors are always welcome to inspect our Pumping Stations and Treatment Plant.

Once more I wish to thank the Citizens of Wolfeboro for their cooperation during the past year.

CHARLES I. LUCAS
Supt.

HAROLD L. JOHNSON, Treasurer

Report of Forest Fire Wardens

In the past year your local forest fire organization did a very fine job of pre-suppression and suppression of forest fires. Our early spring was very dry and with extra high winds and all our fires were during that period. We find that the general public is still very careless with matches and cigarettes.

In the "Keep America Green" program there is a story of two bad boys who cause most of our forest fires. The first one we call, "I don't care," he is the person that builds fires anywhere, never gets a permit to burn brush or has a safe place for his home incinerator. He is also very careless with matches and cigarettes. The other one is called, "I don't know any better," and the best way to describe him is a plain dunce. It is only with your help that these two bad actors are controlled. Their carelessness can be the cause of our pretty and valuable woodland to be destroyed by fire. Even your own home can be burned by them.

It is up to you and you alone to report these two characters to your local forest fire warden whenever you see them operating. To have our woodlands green and our mountain streams clear, your cooperation is needed by:

1. Seeing that your incinerator is tight and is sitting on clean ground.
2. Always clean a space about any open fire to prevent it from spreading.
3. Never burn in dry windy weather.
4. In all cases a written permit is required from your local town fire warden.
5. Be sure that your matches, cigarettes and pipe ashes are out before discarding.

It is with your cooperation that this shameful waste of timber and money can be stopped.

PUBLIC HEALTH

Health Officer's Report

The usual number of complaints of nuisance that menace health have been received and have been investigated by the local and State Health Department.

There have been no contagious disease epidemics during the past year. Occasional cases of mumps, whooping cough and measles which usually strike the community each year.

Many sanitary inspections have been made during the year by the State. No water pollution has either been noted or reported.

Sewage disposal still continues to be a problem in parts of the town which are not connected with our sewage disposal plant. It is the opinion of the State Health Department that in the near future it will be necessary to extend the pipes on South Main Street to the General Wolfe Hotel.

I wish to express my appreciation to the people of Wolfeboro, to the physicians and to Mrs. Avis MacAuley, R. N., for their coöperation in reporting communicable diseases. By so doing the spread of these diseases has been prevented to a great extent.

HAROLD E. THOMPSON
Health Officer.

3. Orthopedic	2	45
4. Dental		
5. Physical examinations at school		171

During 1951 the Nursing Service has continued along the same pattern as other years, with Mrs. Avis MacAuley, R. N. as School and Public Health Nurse. Mrs. Everett Rockwell, R. N. of Melvin Village covered the District while Mrs. MacAuley had her month's vacation in the summer.

The Nursing Committee sent Mrs. MacAuley to Plymouth Teachers College in June, for a two credit course, "Modern Trends in School Nursing." Right now she is taking a course in Mental Hygiene being given at Carpenter School, this is another two credit course.

Our Orthopedic problems seem to have been at a minimum with only two clinics necessary to see the forty-five patients. The Dental Clinic, with the cooperation of Dr. John Clow treated sixty-one children. This clinic is financed by service organizations in Wolfeboro and by the Nursing Organization.

Mrs. MacAuley has worked as a liason officer with the overseer of the poor for Wolfeboro and the county, also the workers

for Old Age, Children's Aid and the probation officer. She is in a position to help these workers and to serve the people who need aid.

The Public Health Nursing Directors voted at their last meeting to give as a present to each new mother a free demonstration of baby bathing. Mrs. MacAuley calls on each mother before she leaves the hospital and makes an appointment to visit the home, to give the demonstration and to help in any way.

Our Public Health Nurse is ready and anxious to help you, please call her if you need her.

Respectfully submitted

ETHEL D. BLACK

MRS. GEORGE BLACK, Chairman
Nursing Committee.

AUDITORS' CERTIFICATE

We have examined the accounts and balance sheets of the various Town Officers. Our examination was made in accordance with the auditing standards as required by the State Tax Commission, and included such tests of the records and other supporting evidence we considered necessary. In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1951.

C. E. CORKUM,
R. S. PARKER,
Town Auditors.

PUBLIC SERVICES

Parks and Playgrounds Commission

BATHING BEACH

Attendance — On the whole, it was a cold, cloudy, and intermittently rainy summer, but a safe approximation of attendance is ten to twelve hundred per week — more or less — or over 10,000 people in attendance during the summer season.

Record of Swimming Classes — Counting the twenty-five plus children I taught at Tuftonboro along with the seventy-five we taught here, a good hundred children took lessons at one time or another. Fifty-two children did justice to the courses by coming the minimally necessary time to be prepared for a course test at the end of the summer. Of the estimated fifty-two, which is the highest group to complete the courses since I have been here, thirty-two or well over fifty percent passed the required tests for their certificates. A reasonably large group were very close to being able to pass, and thus the first of next summer these pupils will be able to pass.

We were more than satisfied with the majority of the pupils' enthusiasm, and the parents of the more regular students should be highly commended for their behind the scenes encouragement despite inconveniences.

We had a very enjoyable time working with the pupils and parents, and we sincerely hope the enthusiasm continues and grows. The value of the courses is self evident.

Accidents — There were four more serious accidents which, luckily, were recognized before they developed into anything more serious than momentary displeasure.

PAULA NELSON
GEORGE C. GREER

THE SKATING RINK

The Public Skating Rink activities were somewhat curtailed this last season. In the first place the amount of money appropriated by the town for the care and maintenance of the rink is the same as it was before the war. Wages have had to go up some, and the motorized equipment, which is hired for the removal of heavy snows, has charged the town more. Rather than increase the appropriation, the Commission reduced the term the rink is maintained from a ten to a nine week season. As long as the rink can be maintained on the present amount of appropriation for nine weeks no increase in the appropriation is anticipated.

During this last season there has been a second and very unavoidable reason for curtailed use of the rink. Old Man Winter has been extraordinarily hard on all makers of ice. A heavy fall of snow covered the rink before any ice surface had been started and through the whole month of January a combination of heavy snows and intermittent warm weather made impossible the building of a good ice surface.

In spite of the above handicaps many thousands of man-hours of pleasure were enjoyed by the young people of Wolfeboro.

Wolfeboro Town Library

REPORT OF THE LIBRARIAN

To the Board of Trustees of the Wolfeboro Town Library

Gentlemen:

The report of the librarian for the year ending January 1, 1952, is herewith presented.

The work at the library for the year has followed very closely that of the previous year in that the circulation of books and the reference work have increased steadily throughout the year, as has the borrowing of books from the State Library, a service which continues of increasing value to the library and those whom it serves. Books have been borrowed for teachers; for pupils in our schools and in colleges, and for many others, thus providing books which are not available in a small library.

This year Children's Book Week was observed by a contest between the pupils of some of the classes at Carpenter School, with encouraging and enthusiastic results. Then, too, the librarian has continued her visits to the lower grades to tell stories for the purpose of stimulating an interest in the use of the library. Teachers and Scout leaders have brought their pupils to the library for instructions in the use of books available for their use.

During Education Week the librarian sent an exhibit of books to Carpenter School to be displayed with other educational exhibits.

As will be seen by this report, many gifts of books, magazines, and money have been received this year. For all of these gifts the librarian expresses her thanks. These expressions of interest and eagerness to share in the service of the library are very much appreciated.

The circulation for the year has been 32,339 books and magazines of these classes: fiction, 13,123; non-fiction, 6,693; children's books, 12,523. Three hundred and twenty-four new cards were issued. The largest day's circulation was 212, and the smallest thirty-five.

This year 832 books have been added to the combined libraries. Of this number two hundred and sixty-five were contributed.

- 9-9-9 American Legion Special Service Squad Call.
- 91-91-91 National Guard Unit Call.
- Air Raid Alarm, Fourteen Straight Blasts — All Clear, Two Blasts.

COVER

The Pavilion at Wolfeborough village, located between the Soldier's Monument and the Congregational Church, was erected by a company of citizens in 1849 or 1850. It was originated by Daniel Pickering, and built and furnished largely by him and his son-in-law, Charles Rollins.

Daniel Chamberlain was the first proprietor, and gave it a valuable reputation as a summer hotel. Large additions were made to it later, and it accommodated two hundred and fifty guests. This building and lot finally came into the possession of Brewster Free Academy. The house was razed and the land graded and grassed.

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. It should be borne in mind that if copies are left at home, there may not be a sufficient number at the hall to go around on TOWN MEETING DAY. Please bring your copy with you to Town Meeting.
